NO OBLIGATION — FEES EFFECTIVE ONLY UPON ACCEPTANCE OF EMPLOYMENT OFFERED

AGREEMENT

I hereby acknowledge the filing of my application with JOBCO to assist me in securing a position and agree that providing I accept a position through JOBCO either directly or indirectly, any time within one (1) year from the execution of this contract, to pay JOBCO an amount equal to forty per cent (40%) of the first month's salary, draw, commissions, or gross earnings, whichever sum is larger. It is understood that all fees are figured on thirty (30) calendar days, on the basis of four and one-third weeks to the month.

I further agree to pay the total fee within thirty (30) days of commencing employment. I understand that the total fee may either be paid cash in full upon acceptance of a position, or payable as I am paid, whether weekly, bi-weekly, monthly, or semi-monthly. However, a cash fee must be paid if the position accepted requires relocation outside the City of Dallas.

It is further understood that all positions are to be considered permanent and that the same fee schedule shall apply to any position accepted by applicant. It is understood that the duration of employment in no way shall effect the amount of the fee.

I promise and agree to keep all information obtained from JOBCO concerning employment strictly confidential and for my exclusive use. I also promise and agree to immediately report to JOBCO any and all results from interviews with employers.

I have read the foregoing agreement carefully and I fully understand all the terms contained therein, and I promise and agree to be bound thereby.
